Summer with US and

Summer with US jr.

Every child deserves to have fun in the Summer. This is why Unified Solutions has created Summer with US! Each week will have a special theme with lots of activities to go along with it. Summer with US JR includes a modified schedule of our Summer with US program designed especially for younger kiddos. Camp activities will include:

- Arts and Crafts
- Outdoor Games
- Games to Develop Social Skills and Friendship
- Field Trips and Weekly Swimming
- Creative Expression Activities
- Low Ratios Between Counselors and Campers
- And many more opportunities to have fun and be a kid!
