*Using ABA to help solve your everyday challenges!*

### Dear Unified Solutions Families

Wow! I can't believe that January has come and gone so fast! Pretty soon, winter will be behind us! (Okay, I know that was wishful thinking!)

As I think of all of the families we serve, I am overwhelmed with emotion. I guess that's fitting since this month is Valentine's Day! But seriously, every day when I wake up, I am excited to go to work and to see the progress each of the kids are making. It is amazing! And we could not do it without the support of amazing parents like YOU! Thank you so much for letting **US** be part of your journey!

Again, thank you for being part of the Unified Team!

### SUMMER PLANS

I can't wait for Summer! Warm weather, sun, playing outside! Many families are challenged trying to find things for their kids to do during the summer. Unified Solutions has been trying to figure out how to help families meet this need. We are currently planning 3- or 4-week Summer sessions that would emphasize social skills, IEP goals, and having fun just being a kid! We are trying to gauge the interest of our families. The weeks we are currently looking at are:

June 6-9

July 5-8

August 15-18

August 22-26

At this time, none of these dates are set in stone. If you are interested, please let **US** know. If you know what weeks you would be interested in attending, let **US** know that, also! Just send Cristal a text or an email. We would love to help you make Summer fun for your family!
