INCLEMENT WEATHER

We have truly been spoiled with this mild winter so far! You and I know though, we live in Ohio and, sooner or later, the weather is going to get nasty! So what should we all do when that happens?

Unified Solutions does not operate within the school system. That means that we can do all kinds of wonderful things, such as go on field trips and have sessions during normal school breaks so your children have as much consistency as possible. That also means that we do not necessarily close when the schools do! If you are concerned about whether or not a session will be canceled, please do not hesitate to contact your therapist directly.

This also means that occasionally your session may be cancelled because of inclement weather when the school systems are not. When this happens, we will try to let you know as soon as possible. We understand that this may cause an inconvenience to you, and we apologize. However, we may need to do this to keep everyone safe. The turnaround is that if YOU feel that it is unsafe to drive into the center from where you live, we will also respect that. If sessions get cancelled, we will do our best to reschedule them.

Here is a list of our therapists' numbers so that you can get a hold of someone if you need to. And remember, if you can't get a hold of your therapist, do not hesitate to contact Cristal!

Do you have any pets?

I have 2 dogs, a cat, a guinea pig, and 5 fish.

If you could be any animal, what would you be and why?

I would be a lion. I think they are very strong and beautiful and majestic. I always wanted one as a pet when I was a little girl. I now call my dogs lions because they are so big!

If you could have one super power, what would it be and why?

I would love to fly! I think that being able to fly would be so much fun! However, when I was a little girl, I really wanted to be Wonder Woman!
